

We are pleased to introduce our Premium Export Portfolio — featuring a curated selection of world-class spirits and Corona Beer, available for immediate international shipment.

Since 1998, our company has specialized in supplying genuine, high-quality beverages for export whether by pallet, full container, or mixed load — carefully tailored to meet your specific market requirements.

Our mission is simple: to deliver reliable, efficient, and transparent export solutions to importers, wholesalers, and duty-free operators worldwide.

Our Export Catalog Includes:

Corona Beer — Mexico's #1 exported beer, 355 ml bottles (24-pack cases)

Premium Spirits — Whisky, Vodka, Rum, Tequila, Gin, and Brandy, including renowned brands such as Chivas, Grant's, Bacardi, and many others — all authentic, securely packaged, and fully compliant with international labeling standards.

WHY WORK WITH US

Operating since 1998, we have established strong relationships with verified suppliers and direct brand partners, ensuring that every shipment is fully documented, insured, and traceable from origin to destination.

We offer:

- Competitive export pricing (CIF)
- Fast container loading and global shipping from Mexico or the U.S.
- Mixed containers for trial or market-testing orders
- Professional logistics and customs support at every stage

For over two decades, our commitment has remained the same — to build long-term export partnerships based on quality, trust, and consistency.
